

# ATLAS HURD

**14 DAY IN HOME TRIAL**

**ONLINE SALES ONLY**

**TERMS AND CONDITIONS**

## Terms and Conditions

During the free trial period, customers can test the speakers with various audio sources, in different settings, and under different conditions. This hands-on in approach will let you experience our speakers at their best in your real world.

At Atlas and Hurd, we take immense pride in the superior quality and performance of our speakers. We are so confident in their capabilities that we offer an industry-leading 14 day return policy. This trial period is a testament to our unwavering belief that once you experience the exceptional sound and craftsmanship of the speakers in your own space, you'll be captivated by their audio brilliance.

We understand the importance of investing in audio equipment that truly resonates with your preferences, lifestyle, and surroundings. With the 14-day return policy, you can make a risk-free purchase, providing you ample time to truly enjoy the quality, performance and value they represent.

### Our 14-day trial policy

- Speakers must be purchased **online only** and paid in full to start the free trial
- The 14-day trial is non-transferrable
- The 14-day trial do not apply to customised speakers
- 14-day Trail begins upon the date full payment is received by Atlas and Hurd
- Return freight not included - Client to pack back in original packing and ship back at their expense
- Please not a 4.5% restocking fee applies to all returned speakers
- The goods remain the property of the purchaser during the trial period. Ownership of the speakers only transfers back to Atlas and Hurd upon return of the speakers to our studio and condition inspection report is complete. We will notify the client via email of condition. Once confirmed a full refund will be given to the client.
- Speakers must be returned in new / near new condition externally - the returned speakers will be checked for misuse and damage
- Any over driving of the speakers causing mechanical or electronic failure will void the return policy
- Speakers are designed for domestic use only - any use in public space use will void policy

Our speakers are proudly  
Australian designed  
made/assembled to a premium  
level. Built to be heritage quality.  
By following the guidelines above  
you will enjoy your speakers for  
many years to come.
